

## DEPARTMENT OF DEFENSE

Department of the Air Force

Announcement of IS-GPS-800 Interface Control Working Group (ICWG) Meeting

AGENCY: Department of the Air Force, DoD

ACTION: Notice, Interested parties may submit requests to attend and participate in this Working Group meeting

SUMMARY: This notice informs the public that the Global Positioning Systems Wing (GPSW) (formerly the GPS Joint Program Office) will be hosting a technical working group meeting to discuss the new L1C signal as specified in Draft IS-GPS-800, Navstar GPS Space Segment / Navigation User L1C Interfaces. The discussion will include addressing those comments submitted from the ICWG review of the Draft IS-GPS-800.

For those who would like to attend and participate in this ICWG meeting, you are requested to register to attend the meeting by 11 September 2006. Please send the registration to [IG2@arinc.com](mailto:IG2@arinc.com) and provide your name, organization, telephone number, address, and country of citizenship.

For those who would like to present material related to the L1C signal or IS-GPS-800 at the meeting, please submit your agenda item and required length of presentation time to [IG2@arinc.com](mailto:IG2@arinc.com) by 11 September 2006. The actual presentation material must be submitted by 18 September 2006. More information, including a preliminary agenda, will be posted on the GPSW Public ICWG web site: <http://gps.losangeles.af.mil/engineering/icwg/>.

### ICWG MEETING LOCATION, DATE, AND TIME:

Fort Worth Convention Center, Room 203B

Fort Worth, Texas 76102

U.S.A.

Monday, 25 September 2006: 1:00 P.M. – 5:00 P.M.

Tuesday, 26 September 2006: 9:00 A.M. – 12:00 P.M.
